

MONDAY				TUESDAY				WEDNESDAY				THURSDAY			
	The Auditorium	The Liffey A	The Liffey B		The Auditorium	The Liffey A	The Liffey B		The Auditorium	The Liffey A	The Liffey B		The Auditorium	The Liffey A	The Liffey B
09:00 - 19:00	Registration Open			07:45 - 08:30		Sponsor Breakfast Shimadzu Europa GmbH <i>Advance sign-up required</i>		8:50 - 9:50	Plenary Session 3 Prof Ines Thiele			09:00 - 10:30	Abiotic and Biotic Stresses in Plants	New Development in Instruments and Techniques	Impact of Metabolomics in Clinical Medicine 2
10:30 - 12:00	Workshop 1: EMN Career Session	Workshop 2: Data Sharing and Standardisation	Workshop 3: Metabolite Profiling in Population-Based Studies	08:50 - 09:50	Plenary Session 2 Prof Luke O'Neill			09:50-10:30	Break and Posters - Exhibit Hall			10:30 - 10:50	Tea & Coffee Break - Level 1 and Level 3 Foyer		
12:00 - 13:30	Box Lunch Available - Level 1 and Level 3 Foyer			09:50 - 10:30	Break and Posters - Exhibit Hall			10:30-11:50	Early Career Session 1		Early Career Session 2	10:50 - 11:50	Metabolomics in Early Life	Metabolomic Analysis of Challenge Tests	Metabolomics for Disease Biomarkers
12:15 - 13:15		Sponsor Presentation SCIEX	Sponsor Presentation Bruker	10:30 - 12:00	Model Organisms	Biomarkers in Nutrition Research	CVD/Diabetes	11:50-13:30	Lunch and Posters - Exhibit Hall			12:00 - 12:40	Plenary Session 4 Prof Tsutomu Masujima		
13:30 - 15:00	Workshop 4: EMN The Importance of Experimental Design	Workshop 5: metaRbolomics: The R Toolbox for Metabolomics	Workshop 6: Computational Workflows and Workflow Engines	12:00 - 13:30	Lunch and Posters - Exhibit Hall			12:10-13:10		Sponsor Presentation Biocrates Life Sciences AG	Sponsor Presentation Thermo Fisher Scientific	12:40 - 13:30	Closing Remarks		
15:00 - 16:30	Free Time			12:15 - 13:15		Sponsor Presentation Agilent Technologies	Sponsor Presentation Waters	13:30-15:00	Identification of Metabolites Applying MS and NMR	Green Systems Biology	Metabolomics Profiling in Cancer				
16:30 - 17:00	Opening Ceremony			13:30 - 15:00	Network and Pathway Analysis for Metabolomics	Metabolic Phenotyping in Health	Crop Quality Improvement and Food Sustainability	15:00-15:30	Break and Posters - Exhibit Hall						
17:00 - 18:00	Opening Plenary Session Prof Jeremy Nicholson			15:00 - 15:30	Break and Posters - Exhibit Hall			15:30-17:00	Foodomics and Food Quality	Impact of Metabolomics in Clinical Medicine 1	Computational MS				
18:00 - 19:00	Welcome Reception in Exhibit Hall			15:30 - 17:00	Nutrition and Metabolism	Environmental Metabolomics	Advances in Statistical Tools	17:00-18:30	Poster Session 2 - Exhibit Hall						
				17:15 - 18:45	Poster Session 1 - Exhibit Hall			19:15-23:30	Conference Dinner - Croke Park Load Buses at CCD at 19:15 for 19:30 departure						
				19:00 - 20:30			EMN Reception <i>Advance Sign-Up Required</i>								

Parallel Session Key:

	Environment, Plant and Model Organisms
	Metabolomics in Health and Disease
	Metabolomics in Nutrition and Food Research
	Advancing the Field

DRAFT AGENDA - Subject to change.

updated June 7, 2016
